

# Sardinia Luxury Motorcycle Tour

7 days / 6 nights

This holiday is a fantastic opportunity to explore the whole of Sardinia by motorbike, including the beautiful interior of the island. Culture, wonderful food and superb hotels are the highlight of this trip.  Beautiful beaches, megalithic ruins and delicious Sardinian wines await you! It's possible to hire a BMW, Honda, KTM or a Ducati.

## YOUR PROGRAMME

**Day 1 - Arrive on Sardinia**

You will land at Alghero airport (contact us should you wish to arrive at Cagliari or Olbia) where you will be picked up to collect your rental motorbike.  Depending upon your arrival time, you can explore the surroundings, including Neptune's cave, the wonderful roads and the breathtaking sunset, or simply enjoy time around the swimming pool in your first hotel.

Night in a 4 star hotel.

**Day 2 - Villages and beaches**

After breakfast you will set off to visit some charming Sardinian villages.  The itinerary includes old churches, beautiful lakes and a marine cave.  A stop in Bosa allows you to discover the fortress there before riding to your superb hotel near to the coast.

Distances of approximately 100-150km (depending upon whether you wish to view Neptune's cave).

Night in a 5 star hotel.

**Day 3 - From the west coast beaches to the mining south**

Today you'll ride alongside the west coast beaches towards the south of the island, which is much less touristy and surprisingly wild.  En route you will discover the ancient site of Tharros, which recalls the vestiges of an ancient Greece.  Further on, you will discover the strangely atmospheric ghost towns which were abandoned following the closure of the local mines.
The beaches and dunes of the Costa Verde will take your breath away.  You will spend the night in a small town known for its history.

Approximate distance 150 km.
Night in a 4 star hotel.

**Day 4 - The grand south**

After breakfast you will ride a fabulous circuit that will allow you to discover the southern tip of Sardinia.  You will explore a

natural parc, where many species of birds nest, you can visit a mine, an underground cave or yet again, enjoy more superb beaches.  Enjoy free use of the spa on your return to the hotel.

Distance of approximately 160km.
Night in a 4 star hotel.

**Day 5 - Towards the east coast**

Today you will cross the island from one side to the other.  You will discover many nuraghes (a type of ancient megalithic edifice) as well as many beautiful lakes and villages in the interior.  You will pass through the village most well-known on Sardinia for its murals, before riding on to one of the most popular coastal resorts on the island.  You will stay in the centre of the resort in a wonderful hotel next to the sea.

Approximate distance 235km
Night in a 4 star hotel.

**Day 6 - Secret and mystic Sardinia**

After breakfast you will take a road through the interior of the island.  It's worth keeping your camera to hand as the views of the Gulf are magnificent.  Continue your journey through the Sardinian countryside to the famous village of Orgoszolo, well known for its murals.  A short detour will lead you to one of the most famous nuraghes of Sardinia, Romanzesu, lost in the middle of a splendid forest of cork oaks.  Following that you will ride to a small village overhanging a magnificent hotel, which will welcome you for the night.  Ask the patron if you can taste his wine, which goes wonderfully with home-made pasta!

Approximate distance 140 km.
Night in a 4 star hotel.

**Day 7 - The west**

You will begin by riding on a magnificent road, financed by the European Union and very little frequented - Paradise for the biker! For those who still have some free time, we recommend an extension to the Maddalena islands (see the options).  You'll then join the west coast via the interior, passing by lake Coghinas until reaching the coast and the pretty little town of Castelsardo.  You will then reach Alghero where you will give back your motorbike before taking your flight home.

Approximate distance 230km.
Night in a hotel (see options) if it's not possible to fly home on this day.
