

## Corsican Cape Escape

4 days / 3 nights

During past centuries, the 'sentier des douaniers' was the coastal path used by custom officers in the Cape of Corsica. Genoese towers and turquoise waters punctuate your walk between the villages of this stunning region. The fragrance, that the maquis (Corsican scrubland) and wild flowers give shed, denotes the character and liveliness of this colourful part of Corsica.

### YOUR PROGRAM

#### Day 1 - Bastia

Arrival in Bastia and check in at your hotel. You can enjoy this free time to discover the city and walk on the nice little streets.

#### Day 2 - From Macinaggio to Barcaggio

30 minutes transfer to Cape Corsica. Starting in Macinaggio, the coastal path goes around the Cape's tip. Explore little secret coves, turquoise waters tinged with the heady scent of wild flowers.

Your hotel for the night is situated just opposite the island of Giraglia where many rare bird species breed, such as the Audouin's gull. On the islet are the ruins of a military building, planned by Napoleon. There is also a lighthouse, which was built in 1839.

### Day 3 - From Barcaggio to Centuri

Genoese towers and turquoise waters punctuate your walk to Centuri, one of the most beautiful harbours in the region. Centuri is also known and famous for its crayfish, as it has been rated as the best fishing port in France for crayfish.
